The image shows a screenshot of a Windows error dialog box titled "Could not initialize license properties". The message inside the dialog reads: "[Error 3371,StatusCode -11118] QuickBooks could not load the license data. This may be caused by missing or damaged files." Below the message, it provides troubleshooting instructions: "For troubleshooting steps, note the error and type the following in a Web browser window:" followed by the URL "www.quickbooks.com/support/register.html". An "OK" button is visible at the bottom right of the dialog box. Below the dialog box is a yellow banner with a telephone icon and the text "Call Support 1-800-515-3107".
